

My School

In this unit, you will learn the Spanish words for different classroom objects you might use in school. You will learn the ordinal numbers from first to third and use these to order these classroom objects. You will learn how to say four different colours in Spanish and use these to describe the classroom objects. You will learn how to request these classroom objects using *please* and *thank you* to do so. You will find out why there are two ways to say 'I am' in Spanish. You will take part in a range of games, including interactive games, noughts and crosses, and quizzes.
