

How does it work?

If you are a music expert or a complete novice Primary Planning's music scheme of work is the complete solution for you to deliver effective, engaging, active music lessons from EYFS to year 6.

Complete a long-term plan

[Click here](#) to access our long-term music plan for your school. Should your school be proficient in music or just taking the first steps on the musical learning journey we have the long-term plan for your school. Similarly we also have long-term plans for all standard or mixed year groups from EYFS to Yr 6.

Access our resources

[Click here](#) to purchase access to our lesson plans, PowerPoints, printable resources, assessment tools and audio / video clips. Once purchased login to our website and choose the unit you would like to teach from our long-term year overview plan and start teaching it that easy.

Deliver success

After each lesson and each unit taught use our assessment tools to assess the lesson you have taught. Use the unit overviews, knowledge organisers and end of unit pupil assessment tools effectively to deliver the best possible outcomes. Print / store our music curriculum lead documents as a record of what is being taught within our scheme.
