

How does it work?

Whether you are an experienced music teacher or a complete novice, Primary Planning's music scheme of work is the complete solution for you to deliver effective, engaging, active music lessons from **EYFS to Year 6**.

Complete a long-term plan

[Click here](#) to access our long-term music plan for your school. Should your school be proficient in music or just taking the first steps on your musical learning journey, we have the long-term plan for your school. Similarly, we also have long-term plans for all standard or mixed year groups from EYFS to Year 6.

Access our resources

[Click here](#) to purchase access to our lesson plans, PowerPoints, printable resources, assessment tools and audio / video clips. Once purchased, log in to our website and choose the unit you would like to teach from our long-term year overview plan, and start teaching. It's that easy.

Deliver success

After each lesson, use our assessment tools to assess the lesson you have taught. Use the unit overviews, knowledge organisers and end of unit pupil assessment tools effectively to deliver the best possible outcomes. Print / store our music curriculum lead documents as a record of what is being taught within our scheme.
